

STEFANIA BULOTTA

Associate Professor in Cellular and Applied Biology

bulotta@unicz.it

+39 0961 3694125

Catanzaro (IT)

PERSONAL INFORMATION

Place and date of birth

Catanzaro, Italy 01-01-1966

Address

Viale Crotone, 210/2 –
88100 Catanzaro – Italy

Nationality

Italian

Citizenship

Italian

ACTUAL POSITION

Associate Professor in Cellular and Applied Biology at the “Magna Graecia” University (UMG) of Catanzaro, Department of Health Sciences.

RESEARCH

Her current primary research area is in the field of the cellular and molecular biology of cell proliferation, with a particular focus on the regulatory processes of the tumor microenvironment (TME).

She has co-authored over 100 scientific contributions, including peer-reviewed articles, book chapters, and presentations at national and international conferences.

EDUCATION

Researcher in Cellular and Applied Biology

“Magna Graecia” University (UMG) of Catanzaro, March 2006 – July 2019.

Ph.D. in Pharmacology and Biochemistry of Cell Death

Calabria University, December 2005.

Post graduate Fellowships

UMG of Catanzaro, January 1993 – March 2006.

Master Degree in Biology with honors

Pisa University, November 1992.

ACADEMIC

Board member of the Ph.D. in Life Sciences and of the Council of the School of Specialization in Hospital Pharmacy at UMG in Catanzaro.

Currently, she serves on the University Committee for Disability and the Unified Guarantee Committee (CUG) at UMG in Catanzaro.

TEACHING ACTIVITY

- Animal Biology, Master's degree in Pharmacy, School of Pharmacy and Nutraceutical Sciences, UMG Catanzaro.
- Cellular Biology in the Integrated Course of General Biology, Bachelor's degree in Environmental Biological Science, School of Pharmacy and Nutraceutical Sciences, UMG Catanzaro.
- Applied Biology Methodologies, Bachelor's degree in Environmental Biological Science, School of Pharmacy and Nutraceutical Sciences, UMG Catanzaro.
- Applied Biology in the Integrated Course of Analytical Methodologies and Diagnostics, School of Specialization in Hospital Pharmacy, UMG Catanzaro.

RESEARCH GRANTS

Holder of research fundings (MIUR/PRIN 2007, MIUR/FFABR 2017, MUR/PRIN 2022).

REVIEWER - EDITORIAL

Reviewer for international scientific journals in cellular biology, molecular biology, oncology.

SCIENTIFIC ASSOCIATION

Member of AIBG (Italian Association of General and Molecular Biology and Genetic) and of ABCD (Italian Association Cell Biology and Differentiation).
