Strong professional education graduated from Università 'Magna Graecia' of Catanzaro; PhD in Civil Law; research grant at Scuola Superiore Sant'Anna of Pisa. Author of four books and several further publications. Director of post-graduate training courses at Magna Graecia University.

## EXPERIENCE:

Associate Professor in Private Law at the Department of Health Sciences of UMG (since 2020). Graduated at the “Magna Graecia” University of Catanzaro in 2000 (summa cum laude). She started her collaboration with the same institution in the academic year 2000/2001 (holding a post-graduate research scholarship in Private Law until 2002), teaching, during years, both in under-graduate and in post-graduate courses. She got her PhD in Civil Law in 2007 (“Mediterranea” University of Reggio Calabria). She held research grants in Private and Comparative Law at the “Scuola Superiore Sant’Anna” of Pisa (2003-2007) and at the “Magna Graecia” University (2008; 2009-2011). Since 2009 she has been appointed as member of the scientific board of the Master in Civil Law “*Private Law of Public Administration*”. She is director of the post-graduate Training Courses.

She was Visiting fellow at the University of Amsterdam (2009) and at the Universidad Carlos III of Madrid (2013). Since 2008 she has been invited as speaker to several national and international Conferences and (since 2012) she also started to organize national and international Conferences.

She wrote various scientific papers and she is author of four books: “*Paradigmi della minore età. Opzioni e modelli di regolazione giuridica tra autonomia, tutela e responsabilità*” (Rubbettino, 2008), “*Contrattazione asimmetrica. Segmenti normativi e costruzione unitaria*” (Giuffrè, 2016), “*Diritti reali di godimento*” (Esi, 2020) and “*Occupazione sine titolo e danno in re ipsa. Tra soluzioni praticate e implicazioni sistematiche*” (Rubbettino, 2022).

Her main areas of research are: fundamental rights; contract and consumer law; property law; new technologies.
